VPS-W4BZ-IR-67

Portable Battery-Powered Wireless 4-Megapixel IR Motorized Zoom Lens Bullet Camera (IP67) – with On-Board Video Storage & Tripod Mount

VPS 6.0

Technology

The VPS 6.0 portable high-resolution 4-Megapixel (1080p) outdoor bullet camera has a motorized 4X optical zoom lens, which can be remotely controlled in real-time. On-board video storage provided by a 256 GB Micro SD Card. It has Infrared (IR) for night-vision, is battery-powered (heavy-duty 12V 14ah sealed battery, with trickle charger), and a plug option for when power is available. A 4G cell modem provides wireless connectivity (for use with your cellular plan), which comes with a rugged outdoor antenna. Rugged Tripod Mount also included.
