Enclosed you will find product information so that you can become familiar with the features and benefits of this unique product offering.

### Regions Affected:

- Asia Pacific (AP)                       Europe, Middle East, India, Africa (EMEIA)  
 Latin America (LA)                       North America (NA)

### F110 Detachable Keyboard Now Released & Available

We are pleased to announce that the F110 Detachable Keyboard has been released to manufacturing and is available to order.

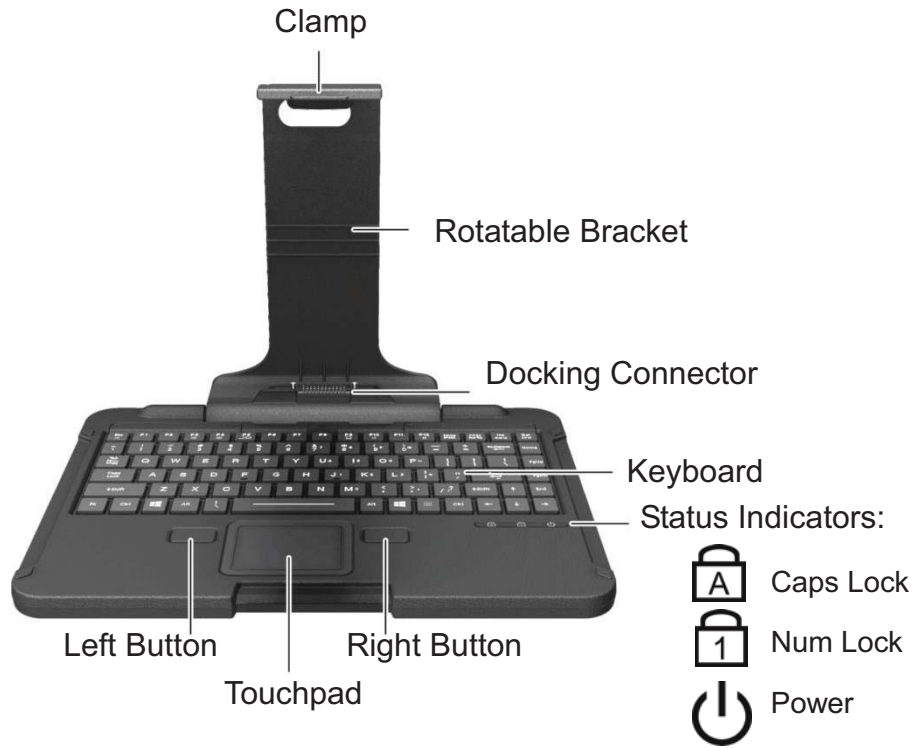

### Product Overview

The Getac F110 Detachable Keyboard includes the following features and specifications:

- Backlit keyboard
- Easy to attach/detach (no screws or tools required)
- Maximum tilt angle up to 110 degrees
- Status Indicator LEDs:
  - Caps Lock
  - Num Lock
  - Power (to the keyboard)
- NOTE: The F110 Detachable Keyboard uses the F110 docking connector so the Detachable Keyboard must be detached from the F110 before the F110 can be inserted in its office dock or vehicle dock.
